2GB, Sydney — Summer Producer

NOVEMBER 2022 - FEBRUARY 2023

Responsible for preparing show content, confirming guests, screening calls and preparing appropriate breaking news on-the-fly while live.

- Nights w/ John Stanley
- Christmas w/ Dale Sinden
- Drive w/ Chris O'Keefe

2SSR, Sutherland Shire, Sydney — Technical Manager, Presenter & Production Assistant

JULY 2020 - PRESENT

Responsible for sourcing, producing and presenting a 2-hour content and music driven program every week, managing the technical equipment of the station to ensure it stays on-air, as well as assisting with sweeper/sponsorship material production when required.

Through my own programs and fill-in shifts, I amassed more than 240+ hours on-air, which helped me prepare for the demands and pressures of the commercial sector and further studies of the industry.

Shire Talk/Totum Health, South Sydney — Digital Content Creator

JANUARY 2020 - JANUARY 2021

Responsible for organising, recording and editing locally-focused digital content for both a Sutherland Shire 'whats on' and their related fitness venture Totum Health. Allowed me to refine my skills in;

Drone filming technology, Commercial-grade camera equipment & Social media publishing/marketing tools.

EDUCATION

AFTRS, Sydney — Graduate Diploma in Radio & Podcasting

JANUARY 2022 - NOVEMBER 2023

Refining a deeper understanding of industry practices, technical applications, announcing/presenting techniques, the importance of localism in regional areas, how to build a community via engaging social media content and the connection between radio workplace departments via industry guests and 4 live broadcast assessments.

TAFE NSW, Ultimo/Online — *Diploma in Screen & Media*

JANUARY 2020 - DECEMBER 2020

A broad introduction to script writing, digital content creation, audio post-production editing, presenting techniques to camera/microphone and idea pitching.

Kirrawee High School, South Sydney — *Year 12 HSC*

DECEMBER 2018

Higher School Certificate subjects included; Multimedia, Advanced English, Biology, Modern History and General Mathematics.

NON-MEDIA RELATED EXPERIENCE

Carlray Construction Materials, Kirrawee — *Quality Control*
